WHAT MAKES A SUMMER
EXCEPTIONAL

PRE-COLLEGE PORTFOLIO PREPARATION 2014
A 2-week drawing workshop at Rochester Institute of Technology designed for high school students ages 16 to 18.
WHO BENEFITS FROM THIS SUMMER INTENSIVE:

You! The student applying for freshman acceptance into college art programs where future artists, filmmakers, animators, designers, craftspeople, and photographers study.

About the Program

Pre-College Portfolio Prep focuses on the process of preparing college entry arts portfolio. In-depth investigations of media, concept development and critical analysis are emphasized. Students will draw from life, exploring the human figure, still life, interior spaces and nature. Expressive art assignments, group and individual critiques as well as visual research, will help guide students through the process of portfolio selection and documentation.

Housing for Long-Distance Families

Summer workshop accommodations are available at the Radisson Hotel (next door to the RIT campus) RIT Inn and Conference Center.

Enrollment

The workshop is limited to 20 students. Once registration form and payment are received, accepted students will receive, along with the acceptance letter, additional materials: a medical history form, permission form, emergency notification form, and an updated immunization sheet. If your updated immunization information needs further updating, you may want to contact your physician now to avoid processing delays.

Costs

$950 Tuition cost for the Pre-College Portfolio. *RIT tuition waivers and RH Waivers apply only to the tuition portion of the costs and must be received with the registration form. (Students from the Rush-Henrietta Schools who are eligible for RH Waivers should contact their guidance counselor for the appropriate form and signatures). Does not cover the material fee.
